Resume

SRINIVASAN BASKARAN

CLOUD CONSULTANT / ARCHITECT

ABOUT ME

Results-driven Cloud Consultant with over 21 years of experience in the IT industry, specializing in cloud solutions architecture, .NET development, and project management. Proven track record of successfully guiding organizations through digital transformation, optimizing processes, and maximizing the benefits of cloud technologies.

EDUCATION

Bachelor of Science in Physics (Specialization in Electronics) — 1997-2000
Kongunadau Arts & Science Colllege, Coimbatore (Bharathiar University)

Master of Computer Applications — 2000-2003
Kongunadau Arts & Science Colllege, Coimbatore (Bharathiar University)

WORK EXPERIENCE

Cloud & DevOps Consultant / Architect (Individual Freelancer) — Oct 2023 - Till Date

Senior Cloud Consultant (Freelancer) — Sep 2021 - Sep 2023 / May 2019 - Mar 2021
CloudnLoud Tech Community

Worked as a versatile consultant with expertise in .NET Projects, Azure Platform Services, AWS, and DevOps implementation, catering to both individual and team-based requirements. I provide invaluable recommendations for database design, ensuring optimal project outcomes.

Technical Lead — Apr 2021 - Aug 2021
Encora Digital India Private Limited

Worked as a pivotal role in Product Development and Enhancement, employing AGILE/Scrum Methodology to drive project success. As a key technical team member, I played a crucial role in establishing the project's scope as a new venture for Encora, securing contract confirmation through successful initial POCs.

Technical Lead — May 2018 - Apr 2019
Fedby Information Services Private Limited

Worked as Product Development Lead for the Precision Plus Dissemination product within an AGILE scrum model, I have demonstrated expertise in various technical domains and a deep understanding of Object-Oriented Programming (OOP) principles and Design Patterns. I excel in mentoring and guiding team members, ensuring the timely and high-quality development of user stories in alignment with business requirements.
